To whom in may concern.

This letter to confirm that Mr Ritchard Rose, director of the company Drillex International in a customer of ours. With many years of drilling experience, Mr Rose and his companies have been purchasing Boart Longyear products in a continuous manner.

So far, Boart Longyear has never suffered any late payment from Drillex International, and we see Mr Richard Rose as a real partner in the relationship shared by both companies.

Best Regards.
