

Global Gem Limited also carries out regular visits to sites to ensure all equipment supplied has worked effectively and that the drill crews are abreast of any changes and new equipment supplied to our clients

I have known Mr. Richie Rose since 1995 whilst working in Australia and have dealt directly with him in various countries around the globe Australia, Indonesia, Malaysia, Bulgaria, Serbia, Armenia and Turkey. Mr. Rose has always kept up with the latest changes and improvements in the drilling equipment being offered and has at all times moved ahead in updating his equipment and in turn has benefitted his clients

I hope this meets with your approval, however please do not hesitate to contact me if you require additional information

Yours Sincerely
